Many a rich man suffering and sick would give all his wealth for the return of good health. Rich and poor can keep healthy if they pay attention to nature's warnings of approaching disease. If your liver is sluggish, if you feel dull, drowsy, or inactive; if your heart doesn't pump right, palpitates, thumps, sometimes vigorously, and sometimes faintly; if your bowels are inactive, or overactive; if your stomach fails you; if your kidneys fail to act naturally; your health is threatened; but there is still help for you if you will take Kickapoo Indian Sagwa.
